**Djibouti**

Djibouti is a former French colony located between Ethiopia and Somalia. It is one of the world's smallest and least populated countries and is also where the Continent of Africa is splitting from Asia- you can actually place your feet on either side of the Continental Line! After experiencing the 8-day 'Djibouti Adventure' tour, let us show you another magical aspect to this Country- come with us and enjoy this tiny paradise island. You can snorkel or dive in the turquoise waters, swim with majestic whale sharks or mantra rays (seasonal) or just relax and enjoy the tranquillity.

**Key**

**B:** Breakfast

**L:** Lunch

**D:** Dinner

**Day 1: Djibouti City-Moucha Island****D**

We will meet you at either Djibouti International Airport or your Djibouti City hotel and transfer you to the boat pier. It will be a scenic 30-minute journey until you arrive at the small coral island of Moucha. After lunch we will venture off to explore the mangrove forest.

There will be time to relax at the beach, or our island bungalows, before having sundowners and our traditional meal this evening.

**Day 2: Moucha Island****BLD**

Today we will discover that this island paradise is the perfect place to enjoy water sports such as snorkelling, scuba diving, swimming, fishing and swimming with majestic whale sharks and manta rays (from Oct-Feb). We will set off on our first snorkelling adventure, and marvel at the crystal clear waters and coral reefs around the island. After lunch, we will snorkel again to see the busy and colourful underwater creatures.

Later in the day, as we relax on the sunbeds, or wander along the beach, you can't help but appreciate the tranquillity of this remote African island.

Tonight we have the pleasure of enjoying another traditional meal while watching the impressive sunset over the ocean.

*You have the option to upgrade from snorkelling to scuba (+AU\$30 per dive).*

**Day 3: Moucha Island to Djibouti City****B**

Today completes our journey to the Moucha Islands. We will transport you back to the mainland and either to a city hotel or the Airport, in time for your departure and safe onward travel.

*Please only book your International Departure flight from 2pm onwards.*

**RAW Africa Eco-Tours specialises in community & conservation-based ecotourism with over 80% of your tour money going directly to our field partners.**
